Burning Questions Addressed by the Summer Institute

Teacher and Principal Evaluation:

- What have we learned from the pilots?
- How can we use NJSMART and student growth percentiles?
- What data will be used to evaluate principals and supervisors?
- What do I need to do to prepare for September implementation of EE4NJ?
- How will student achievement drive teacher evaluations?
- How will observations and evaluations change with the EE4NJ models?

School Law:

- What new laws and changes in existing laws will effect the role of the educational leader?
- What Administrative Code revisions and Commissioner's decisions do I need to know?

Leadership Demands:

- How can I possibly meet all the expectations as an instructional leader?
- How can technology improve evaluation techniques?

In addition to the questions above you will have the opportunity to have your questions addressed at the Summer Institute. If you have a specific question please email it to dinovir@rowan.edu.
